

PRICE GUIDE · OCTOBER 2026

Cyber Essentials and compliance plans

Certification proves you met the standard on the day. Our compliance plans keep the controls tested, the evidence current and renewals handled, all year.

01 Get certified

Certification	What you get	Price
Cyber Essentials Assessment only	The official IASME assessment at the IASME fee. You complete the questions; we register it, give you portal access and help if you get stuck.	Micro £320 · Small £440 Medium £500 · Large £600
Cyber Essentials Supported, first or lapsed submission	We prepare, evidence and submit it with you, and fix the gaps that would fail it before you submit. Insurance included with certification.	£1,365 one-off
Cyber Essentials Plus DIY, first or lapsed submission	The hands-on technical audit of your devices and systems. You give our assessors access to your digital systems for testing.	£2,725 one-off

02 Stay compliant all year: Levels 1 to 3

DEMONSTRATE Level 1 CE and Digital GDPR controls. Our consultants complete the CE submission with input from your staff. £163.50 / month £545 setup, then 12 monthly Direct Debits of £196.20 inc VAT	PRACTISE Level 2 CE, CE+ and Digital GDPR controls. Monitoring and submission as a service (submission the following quarter). £599.50 / month £2,725 setup, then 12 monthly Direct Debits of £719.40 inc VAT	PROVE Level 3 CE, CE+, GDPR governance, supply chain audits, penetration testing and vulnerability scanning: compliance maintained in real time. £708.50 / month £4,360 setup, then 12 monthly Direct Debits of £850.20 inc VAT
